ICoderz Solutions Pvt. Ltd

Ahmedabad, India
08/2023

A company focusing on enhancing project efficiency through Agile methodologies and high-quality mobile application development

- Successfully managed multiple projects simultaneously by prioritizing tasks according to urgency, resource availability, and alignment with organizational goals
- Identified plans and resources required to meet project goals and objectives
- Met project deadlines without sacrificing build quality or workplace safety
- Monitored progress against established goals, adjusting schedules and resources as needed to keep projects on track
- Streamlined project processes by implementing Agile methodologies, resulting in increased efficiency and reduced costs
- Facilitated effective communication with clients, ensuring clear understanding of project requirements, timely resolution of issues, and strong relationships that led to successful project outcomes and high client satisfaction

Android Developer

ICoderz Solutions Pvt. Ltd

Ahmedabad, India
02/2021 - 08/2023

A company specializing in mobile application development and client project management

- Created custom mobile applications using native technologies
- Developed applications using MVVM architecture, resulting in a cleaner codebase that is easier to maintain and build upon
- Integrated third-party APIs into applications to enhance functionality and provide additional value to end users
- Successfully integrated push notifications into apps, bolstering user engagement
- Used specific code versioning tools to manage and implement changes to programs
- Worked with teams from other projects and departments to create apps driven by customer input
- Consistently used Android SDK to produce highly effective and nuanced content
- Reduced application crashes by proactively monitoring crash analytics reports and addressing any issues found
- Worked closely with UI/UX designers to translate wireframes into fully functional Android apps that met both design specifications and user requirements
